| Created       | 2024-03-06 14:25:53-05:00                                       |

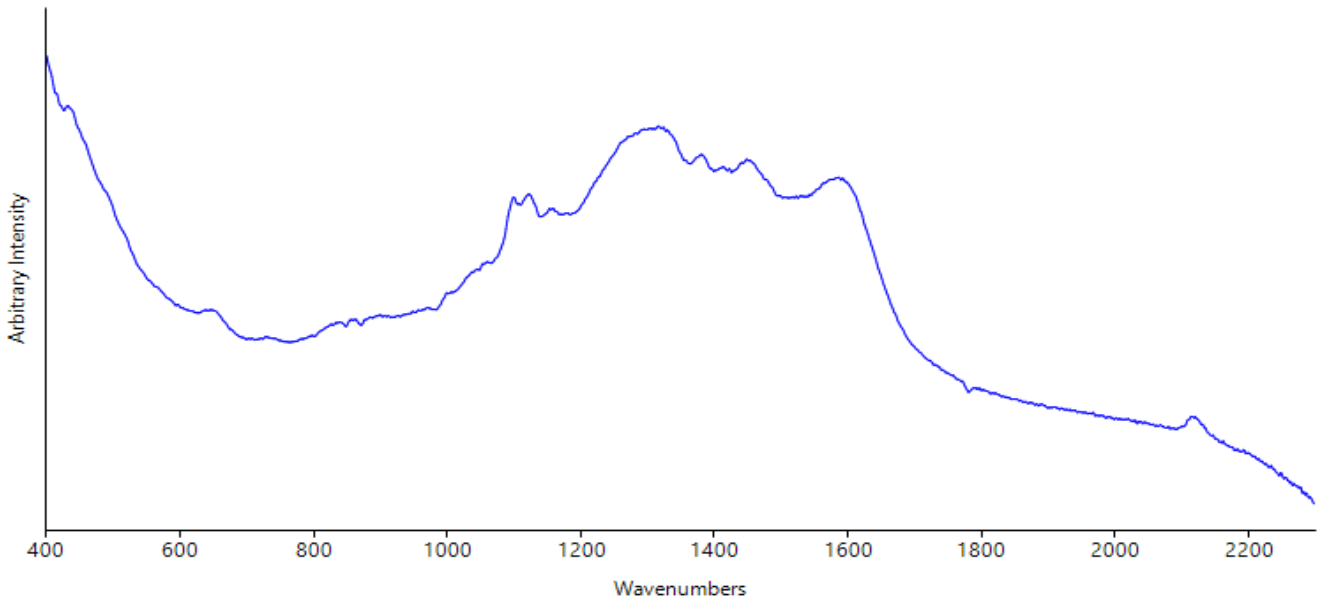

## Instrument

|                              |                                 |
|------------------------------|---------------------------------|
| Serial Number                | 192601100201104                 |
| Firmware Package             | 8.0.3.56                        |
| Last Calibration             | 2024-03-06 10:07:19-05:00       |
| Last System Suitability Test | Pass, 2024-03-06 10:07:29-05:00 |

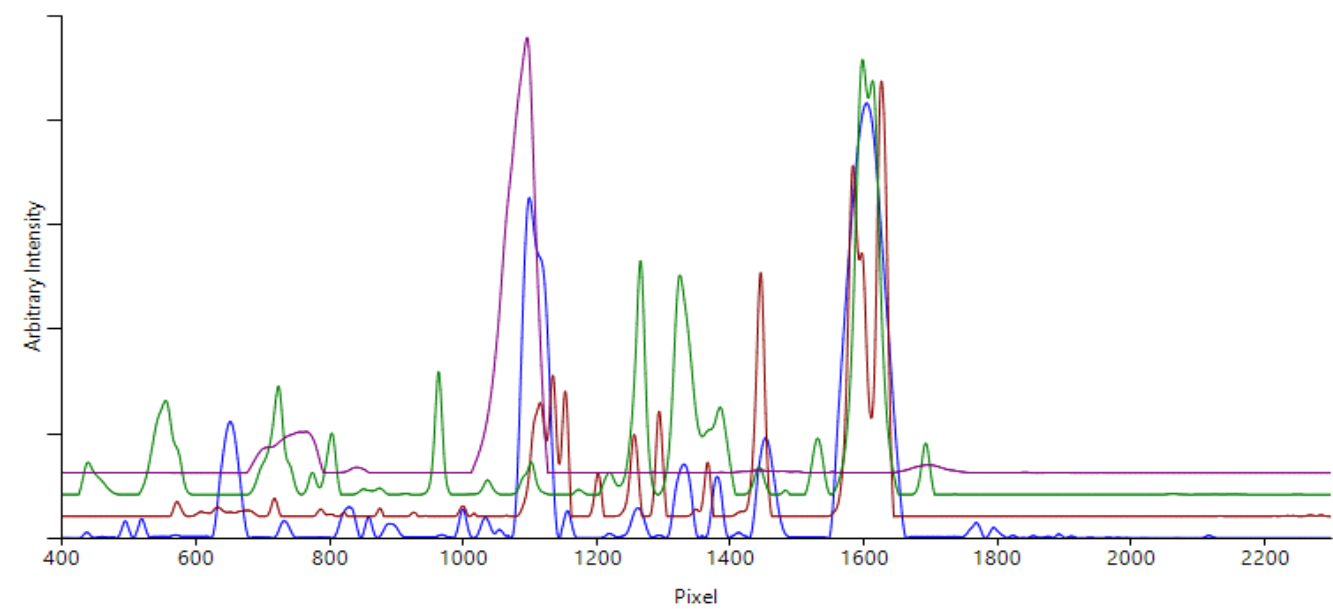

## Acquisition Parameters

|                             |                                      |
|-----------------------------|--------------------------------------|
| Operating Procedure Name    | Default Procedure                    |
| Operating Procedure Version | 1                                    |
| Integration Time            | 3.64 s                               |
| Auto Integration            | On                                   |
| Averages                    | 3                                    |
| Laser Power                 | 5                                    |
| Smart Tip Type              | Intelligent UA, Surface (Position 1) |
| Smart Tip Serial Number     | 6075060600601336                     |

## Spectral Data
